## **SHEEP – 1380**

***“Down around the corner, half a mile from here, see the long trains running and see them disappear” so sang the Doobie Brothers in the 1970’s. Also at that time there were strikes, inflation and a bunch of useless politicians who were pursuing a cheap food policy. The HMRC report that in 2022 the imports of frozen sheepmeat from New Zealand increased 250% to £181 million while imports from Australia increased by £30 million. The government’s cheap food policy could bring ruin on UK sheep farmers.***

***Canvass your MP and NFU secretary today.***

### **PRIME HOGGETS (485)** *Auctioneer: Nick Young* **Overall average 233p**
