Hole Farm Rams

Inaugural on Farm Ram Sale

Saturday 26th August, Hole Farm, Blackboys

Top priced Suffolk was lot 4 at £3,500, an absolute lump of a tup with a massive index of 353. He sold to Andrew Elliot for his Blackhaugh flock.

The top priced Durno shearling was Lot 31, who was knocked down at £1,200 to Ben Foy.

James Hamilton's first on farm ram sale at Hole Farm, East Sussex.

51 rams forward - 26 Suffolk shearlings from James' Houdshall flock and 25 Durno hybrid rams from well known ram breeders Logie Durno.

South East Marts were delighted to be invited to conduct the sale in conjunction with guest auctioneer Scott Lambie of Livestock Marketing (Borders) Ltd who said it was a pleasure to travel the 890 miles to sell such quality rams, with a tip top set up, and looks forward to doing it all again next year!

James had 26 High Index Suffolk shearling rams forward from his Houdshall Suffolk flock. Half the Suffolks forward were in the Top 1% of the breed on index, with the other half being in the Top 5%.

Logie Durno had forward an exceptional run of 25 Durno Hybrid rams. Durno rams have been in demand in the South East of England for a number of years.

Great turnout of 100 people, enjoying the bar & BBQ on offer.

Online bidding and viewing was also available on MartEye; which saw a flurry of on-line bids throughout the sale; with the help of nationwide delivery six rams were sold online finding new homes both locally and as far as Fife, Scotland
