## THE HEATHFIELD AGRICULTURAL SHOW

### **New Enterprise Zone at Heathfield Show**

*Encouraging and supporting new business in the town and country*

The Heathfield Agricultural Show has been a celebration of agriculture and business in our area for 77 years, supporting growth and enterprise. This year, again, we are extending that support to encourage those with the seedling of a business idea by giving them a platform to promote themselves for free in our New Enterprise Zone.

Amongst the established producers, services and traders who make Heathfield Show a vibrant annual event we are offering 10 new businesses the opportunity to take up a free stall at the Show on Saturday 25th May 2024.

The successful businesses will gain access to a stall for the day and the chance to showcase themselves to the thousands of visitors who attend every year.

This is an amazing opportunity for someone just starting out. You might be a fashion designer, a carpenter, a gardener, a baker, an accountant, a mechanic or an architect! We are open to all business ideas whether you are just getting started or you've just got going.

Applicants must complete the application form and send it in by the 23rd February and ideally be available for interview on Saturday 2nd March and, obviously, for the full day on Show day, the 25th May.

A judging panel will pick the best 10 applicants and these will form part of the promotional campaign for the show.

For full terms and conditions please visit [www.heathfieldshow.org/home](http://www.heathfieldshow.org/home).

For more information about the New Enterprise Zone please email Nicola on [Sponsorship@heathfieldshow.org](mailto:Sponsorship@heathfieldshow.org).

# HAILSHAM MARKET - PRIMESTOCK DAY

## ***SHEEP – 2125***

***A fabulous entry and a fantastic trade despite appalling weather conditions. Official figures show that the UK is in recession. Sinn Fein support Hamas, which is not surprising considering that the PLO supported the IRA in the 1970s and 80s! According to the animal campaign group, PETA, carousel horses should be banned as they encourage animal exploitation. Nigel Farage has countered by saying they are “fanatical lunatics”.***
