Thought we would share a light hearted email received yesterday

Dear Mr Waters

I wish to complain on behalf of the United States, the native American people, Her Majesty's Foreign Office and those who have served in Her Majesty's armed forces, that you have chosen to hold a farm sale, notwithstanding the unchallenged integrity of South East Marts or indeed the importance of such sales to the fabric of the agricultural community, on a date that clashes with the marriage of a potential King of the Realm to a citizen of the United States.

Roger's reply was:-

Sod the marriage – What about the Cup Final!!

Anyway we booked our date well in advance of theirs!!

So see you at Lime End Collective - 10 a.m. start
