#### **MILK LAMBS (215)**

*Overall average 173p per kilo*

A much improved trade both at Hailsham and nationally. A short but good entry was well received the Hailsham faithful were well rewarded. England's green and pleasant land has turned into a brown and yellow one set against a backdrop of Brexit and an uncertain economic future.

Lambs will be wanted next week and in the run up to the festival of Eid al Adha which starts on Tuesday 21st August. This might be your last chance to get your lambs sensibly sold before the September rains provide the much hoped for flush of grass. To be finished lambs must be meated and to be meated they must be fed! Shake that cake bag lads!
