MILK LAMBS (368)

Overall average 223.7p per kilo

A quality entry. Nationally they are a shade easier, the Hailsham trade was majestic and a triumph. Many thanks to our judge who had attended a pop concert the night before, nonetheless he and others performed well. Stephen Humphrey's superb 1st prize winning Southdowns take top honours at £116. (295.2p per kilo) taken by Jack Hutchings. David Spanton's superb 1st prize Texels in close attendance at £110. Good to see yet another superb run of lambs from Duncan Ellis.

They are wanted now and will be wanted henceforth.

Please let us know what you have.

M K Wickens hoggets to £70, £69 (twice), RD Uridge Farms lambs to £56.

CULL EWES (76)

Nothing like enough for the level of demand, albeit nationally trade is back following Ramadan. Buyers were selective with their acquisitions. We need many more to fuel the fire.

D Spanton £113, JA Nightingale £108, The Norton Farm P'ship £100, £85, D Miles £90, H Arpino £88, GWH Osbourne £80, £71, CA Powell £68, J Fenwick £64, £54.

EWES & LAMBS (32)

An absolute humdinger of a trade which is normal for Hailsham! The grass is still growing and sheep are better than a mower.

PLEASE LET US KNOW WHAT YOU HAVE
